Change in the Leadership of the Glas Trösch Group

The coming change in the leadership of the Glas Trösch Group that will take effect on January 1, 2018. After 16 years as CEO, Mr. Erich Trösch, PhD, will focus on the role as Chairman of the Group. The new CEO will be Mr. Fabian Zwick, PhD. He will keep his responsibility for float glass production and coated glass and will also take over the responsibility for fire resistant glass. Mr. Frank Studer, who already leads the Automotive division, will take over responsibility for the production of technical glass.

Mr. Zwick, a physicist, has held several executive positions within the Glas Trösch Group since he joined the company on April 1, 2002. He has been a member of the Group Management Team since 2012. This carefully planned change to our management structure will strengthen the Group's ability to successfully master future challenges and ensure the further company growth.
